Measuring What Matters
Aligning OSU’s engagement goals with the strategic directions of Oregon

Keynote: Michael J. Jordan
Former Chief Operating Officer, State of Oregon

As Oregon state government’s first COO, Michael J. Jordan led development of a new performance-based budget to be coordinated with a 10-year sustainable budget framework.

Oregon State faculty, staff, students and community partners are invited to spend an afternoon discussing how the university can use data structures for informed decision making towards greater outcomes for all Oregonians.

The second annual Outreach and Engagement Colloquium will feature a keynote address, faculty panel, table discussions, time for Q&A and a reception.
