- 10:30 a.m.–12:30 p.m. Annual review & promotion and tenure of Extension faculty workshop (Ballroom C)  
*Sponsored by the OSUEA*
- The goal of this professional development workshop is to provide extension faculty with information related to common questions asked and guidance on issues related to annual review and P&T. The workshop will cover: 1) the annual review process (particularly as related to the new Regional Administrator positions) including the involvement of direct supervisors (off-campus) and Department Heads in the annual review and P&T process, what happens to the P&T dossier after it leaves the unit, and the relationship between the PROF form and planning for P&T; 2) how to document impact of extension programs (examples provided); 3) how to present information in the CV – examples of what has worked well and common pitfalls seen; and 4) a discussion session to answer any questions raised by attendees. Refer to the full agenda provided via email.*
- 12:30–1:30 p.m. Lunch  
*Attend an affiliate meeting or enjoy a “picnic” with colleagues. Separate fee required for those wanting lunch.*
